Team Steel Meet 2022

Meet Conditions

1. The Competition will be held under ASA Law and Technical rules.
2. All competitors must be members of an ASA affiliated club, eligible to compete and registered in accordance with ASA Laws and Technical Rules and may enter in the name of one club only.
3. Over the top stars will be used at the promoter's discretion.
4. No outdoor shoes are to be worn on the poolside. Footwear must be worn outside the pool area.
5. This meet will be run using linked Sportsystems software and all entry times will be directly checked with the ASA rankings files and will be rejected if the submitted times are not on the ranking files. All times must have been achieved since 1st January 2020 and be within the qualifying standards. Converted short course times can be used. Time entries should be based on 50m pool times. **Poolside entries will not be accepted.**
6. The submission of entries, either electronic or by email indicates an acceptance of the meet conditions. **Entries will not be accepted until the appropriate payment is received and the summary sheet provided in this pack has been completed and returned.**
7. The promoter reserves the right to limit entries to meet gala license timing restrictions. Where this rule is invoked, the swimmers with the fastest times submitted will take precedence. Events chosen for restrictions will be at the meet organisers discretion. In this case, within each event, entries will be restricted to the fastest times within each age group on a pro-rata basis.
8. A decision on whether or not spectators will be allowed will be made nearer the time based on capacity numbers within Ponds Forge.
9. All swimmers with disabilities will be accepted and all classes of swimmers will swim together in inclusive events and not separate events. It is the responsibility of the competitor or competitor's representative to ensure that the entry form is correctly completed for your disability (failure to do so will invalidate automatic acceptance). COSSS and the promoter will not be held responsible for any discrepancies after to the competition entry cut-off date.
10. Late entries will not be accepted and once an entry file has been submitted, improved times will not be accepted.
11. **All team staff must be DBS checked to gain a coaches pass and access to the poolside. Any parent wishing to act as a coach must also be DBS checked and registered as a member of the club they are representing. Parents must also ask the club secretary to sign the appropriate letter on their behalf and submit it along with the swimmer's entries. Without the letter / application form being signed by the club/gala secretary, no coaches passes will be issued.**
12. A draft programme will be posted onto the COSSS website after the entries closing date. All rejected swim refunds will be returned to the relevant clubs during the gala. Any rejected swimmer presenting to the competitor stewards and attempting to swim will not be allowed to do so.
13. **Coaches and team staff MUST wear the poolside passes provided.**
14. During the gala live results will be published via the COSSS website www.cosss.co.uk
15. Withdrawals from the heats must be notified via email to teamsteelgala@gmail.com no later than: - 6pm on Friday for Saturday events – Noon on Saturday for Sunday events. Any made after this time will be ignored or accepted at the organiser's discretion.

16. Heats will be seeded by submitted times and spearheaded.
17. It is the responsibility of the swimmer to report the stewarding area in enough time for each event. COSSS cannot be held responsible for any swimmer missing the start of their particular heat.
18. The promotor reserves the right to fill empty lane with COSSS swimmers.
19. If cancellation of the event is necessary, then the only claim will be the entry fees paid.
20. Refunds will not be given for swimmers withdrawing from the gala after the closing date or for entry errors or omissions attributable to the individual of their club. Withdrawals for medical reasons must be accompanied by the appropriate certification to qualify for a refund.
21. Entries and results will be managed via computer and available via the internet. By submitting entries, consent is thereby given, as required by the Data Protection Act 1998, to the holding of personal information on a computer. Personal data, including submitted and recorded times will be available during the meet.
22. The promoter reserves the right to give preference to Club entries from overseas clubs where the pre-booking of flights is required to travel to and from the meet. All entries must meet the published qualifying times, proof maybe requested. The promoter recommends that no travel or accommodation arrangements are confirmed until the club receives written confirmation of entry. COSSS cannot be held responsible for any costs so arising.
23. The referee's decision on all swimming matters is final.
24. City of Sheffield Swim Squad will liaise with Ponds Forge ISC with regard to Risk Management and Covid Security. Any necessary measures will be put in place.
25. Any point not covered by these rules will be at the discretion of the organisers.
26. In order to run a licensed meet a lot of help is required. We would be extremely grateful if your club have any licensed officials who would be prepared to help during the meet. If so, then please contact our official's co-ordinator Mick Budd at buddies1@btinternet.com

When entering this event, you agree that we may collect and publish personal information as part of the entry to and results of the event. We may pass such information to the Governing Body or Affiliated organisations for the purpose of membership and qualification checking. Following the event your personal information will be used for publishing results either for the event alone or combined with or compared to other events (British Rankings). The published results may include (but not limited to) Name, Club Membership, Race, Times, Age, Category.
